Learn the art of grooming your pet Scottie dog. The day will begin at 8:30 am with coffee and Danish as we discuss the basics of pet grooming and go over the tools and equipment and how to use them. We will refer to the STCA Grooming Manual as reference. If you are interested in buying a copy of the Manual please let Barb Zink know as soon as possible. Deadline for orders is April 15, 2012.

Each participant will groom their own dog so you might want to let the jacket grow out so we have some hair to work with. You will need the tools listed below to groom your dog. If you would like some help in selecting the best tools to get and where to get them please contact Barb or Pam. We will be happy to go over the list and direct you to some resources that carry these items.

Please bring the following:
