## *President's Message*

Hi Members,

It is an honor and a privilege to be president of the club. I think this is the best club in America. What makes this club great is the members.

We have been busy the last few months. In August the club hosted a fun day at the Dayton Dog Training Center. There were events all day to enter your Scotties in. Best licker, treat catcher, fetcher and more. Also, the STCA had a DNA blood drive during the fun day.

In November we hosted a TCC bladder screening event. We had 25 Scotties show. The club is also hosting a grooming seminar with Bergit Coady - Kabel as the instructor. She will be showing how to get a terrier ready for the show ring.

To finish the year the club will be having our annual Christmas party at Cheryl Bates' house. It will be a great time exchanging gifts and spending time with one another.

It's been a great year, and I am looking forward to next year's opportunity for the club to grow and prosper.

God bless everyone and have a safe Christmas and New Year.

*Gary Stroede,*  
*President STCGD*

**Bladder Screening 2024**

Yes! We did it again! Our club, STCGD, hosted our 4th Bladder Screening for our Scottish Terriers. The event was held at Northside Animal Clinic in Springfield, OH on Nov. 3, 2024. Our Vet Specialist doing the ultrasounds was Dr. Alicia Griffin.

This event has been held yearly through our club, and much of the funding has been obtained through grants from the STCA HTF. The requirements for the fund usage include: Scotties must be at least five years old, and never diagnosed with Bladder Cancer.

The results are in: 25 Scotties signed up for the scan. Out of these 25, 23 bladders were normal. All were advised to give the results to their own vet if future management needed.

L to R: Marcia Dawson, Kim Stroede, Dr. Alicia Griffin US specialist, Barb Zink and Vivi (who was negative in her screening!).

We plan on applying for another grant from the STCA HTF next year 2025! We are also planning on sponsoring a project that the funds are for the benefit of future STCGD Bladder Screening Clinics. STAY TUNED and thank you all for your participation in this important screening.

*Respectfully submitted, Barb Zink*

## WEB Master Updates for the STCGD, INC

At the November meeting, Gary Stroede announced that Barb Zink submitted her resignation as WEB Master as of November 30, 2024. The club would like to take a moment to thank Barb Zink for all the hard work that she has done over the years to set up and maintain our Scottish Terrier Club of Greater Dayton website. Initially, Barb started the website on HOMESTEAD, a free website hosting platform. Over the years, our website has grown and evolved to the informative and easy to use site that it is today. We should all be very thankful for Barb's work and dedication to the club. The website is a great place to host information about the club and celebrate our events and achievements.

Geiger Lee will be taking over as WEB Master on Dec. 1, 2024. He will be sharing more details of the continuous evolution of our club website in the future. If you have items to submit for the website after Nov. 30, 2024, please send your request emails to Geiger at [geiger@afterglowkennels.com](mailto:geiger@afterglowkennels.com).
