I know it has been difficult times due to the coronavirus. We will get through this even stronger. We have a lot of great people in our club. I still think we are the best and the strongest club in America. Our show has been cancelled for this year. We were ready to have a spectacular show this year. This is a setback. Thank you for all your hard work towards hosting the rotating this year.

We are looking forward to our show next year. I have a meeting scheduled for the 16th of May at the Hope Hotel. We will keep you posted.

Until then be safe and God bless you and your family.

Gary Stroede, President

My Mom always said, what doesn't kill us, makes us stronger. I find myself thinking of that a lot lately.

Good thing we have our dogs to keep us busy. Our markets are open, and we have food to eat.

This too, shall pass. God Bless and stay safe.

Schedule & Deadlines for the Newsletter

The newsletter for the STCGD will be published quarterly. Articles and notices can be submitted by the 15th of the month before publication.

Publication months are:

January, April, July and October

For updates between issues, please go to www.STCGD.com

SHOW WINS AND BRAGS:

Rita and Jim Adler

Jim and I are doing great, so far we have dodged the virus bullet. Hope all is well with everyone up there. So sorry to hear the news about Judy and Bill Pool. They were our first friends in the Club and asked us to join several years ago. I am so sad. I am glad we were able to visit with Bill in the hospital when we were home for Christmas.

As some of you know we adopted a beautiful little black-brindle girl from Pam Williams. She has been the highlight of our life the last several months. I know I sound like a very proud momma but she is the best, love, love and love.

The good Lord had us in mind when we received her, she has kept us entertained, in shape walking and kept our spirits up while we are on lockdown here. So Blessed.

I know this is not the kind of brag you usually get but I just had to let you Scottie lovers know how important these little guys are to our wellbeing.

Love to all of you, thanks Barb and Pam.

Ayreworth Scottish Terriers Lucy & John McNabney

As you all know, Lucy and John McNabney have the Scottie named IKE! He has accomplished many titles in his life. He is working on his *OTCH title, and is now only a few points away from earning this high level of achievement.

There has only been one other Scottie who has achieved this title. Lucy obtained it with her boy Humvee many years ago. I am looking forward for her and John celebrating earning this title with IKE soon!!!!

* Obedience Trial Champion (OTCh) title. The American Kennel Club (AKC) awards an "Obedience Trial Championship" (OTCh) to the dog-and-handler team that defeats a large number of other teams in competition. The team must earn a total of 100 points, based on a rating scale distributed by the AKC.
